HIRING POLICIES, PROCEDURES, AND GENERAL INFORMATION

Pertaining to the Dispatch and Hiring of Non-891 Members

IATSE Local 891

UNION OFFICE HOURS:

Telephone: 604-664-8910
Monday to Friday 9 a.m. - 5 p.m.
Saturday - Closed
Sunday - Closed

DISPATCH OFFICE HOURS:

Telephone: 604-664-8916
Monday to Friday 7 a.m. - 10:30 p.m.
Saturday - 8:30 a.m. - 8:30 p.m.
Sunday - 10 a.m. - 10 p.m.

1. Dispatchers usually fill the majority of next-day calls in the evening, and ASAP calls are filled the same day. Unfortunately, dispatchers are not given a lot of notice to fill ASAP calls, so you should always be prepared to work at any time. You may want to obtain a cell phone to ensure that we can reach you anytime during Dispatch hours.
2. Your name, phone numbers, and approved classifications will be added to the Permittee Auxiliary Roster used by the IATSE Local 891 Dispatch office. If you move or change your phone number, you must inform Dispatch in order to receive calls to work.
3. If your address, e-mail addresses, or phone numbers change and you fail to notify us, your name will be removed from the Permittee Auxiliary Roster after three months. If you fail to provide the Union with a new contact number within 12 months, you will be required to re-apply to the department, which will cost you another \$75.00 processing fee.
4. Occasionally, the Union will need to send you information, so please be sure to keep us informed of your correct mailing address. Please call IATSE Local 891 at 604-664-8910 during regular business hours and advise us of any address or e-mail address changes.
5. Remember: Dispatch will not call you for work unless you have made yourself available. It is essential that you keep Dispatch updated with your availability. Once you have been dispatched to a show, we will list you as working and, therefore, unavailable. When you are finished working, remember to inform Dispatch that you are available again.
6. When calling Dispatch about your availability, remember that dispatchers are busy and will have other calls waiting. Please keep your calls short and to the point. The dispatcher just needs to know your first and last names, your department, your phone number, and whether or not you are available for work. Please limit your conversations with Dispatch to provide this basic information and speak clearly, especially when leaving messages.
7. If you go out of town, or are unavailable for work, please inform Dispatch. Dispatchers are unable to track down people who are not available or who are currently working elsewhere.
8. Please remember that Union work permits and Union dispatches are only valid for continuous days of work. Non-members of IATSE Local 891 may not be called back to work after a break in employment without first securing a new work permit. In order to return to work after a company lay-off, the company must request a permit, or you must be dispatched by IATSE Local 891. Any days worked without Union authorization will not qualify for membership.

9. Any non-891 member found working without a valid work permit or record of being dispatched will be removed from the job and will risk suspension of their permittee status. Days worked as a non-permitted worker will not count towards membership requirement in IATSE Local 891. If you receive a call and/or call-back to work by anyone other than an 891 dispatcher, you must inform the Union by contacting the senior steward's assistant at 604-664-8920 to confirm that a valid work permit has been issued for your employment. If no work permit has been authorized, you may not accept the call, and you will be referred to the senior steward.
10. If for any reason you are unable to show up on time for a call that you have been dispatched to, you must notify both the production office and Dispatch immediately. If no one answers the phone, you must leave a message. There are serious consequences for being a "no-show" without an acceptable explanation.
11. When you arrive for work on a new production, the production company will ask you to complete a start-up package. Complete it promptly and submit a timesheet to your head of department at the end of each week. If you do not receive your cheque within a week after pay day, call the production company. If this does not work, call the stewards' assistant at 604-664-8920.
12. All employees must provide Canadian and Provincial residency information sufficient to ensure that the production company is eligible to receive federal and provincial incentives including tax credits. You will be required to submit this information with your start-up package. Acceptable documents include a copy of your previous year Income Tax Assessment Notice with your personal financial information blacked out. You may call the stewards office if you have questions about this contractual requirement.
13. You have been granted work classifications based on the information you provided on your original application. If you desire additional or different classifications, you must apply in writing to the department. Our departmental coordinator can answer your questions regarding classification upgrades and can be reached at 604-664-8923, Monday to Friday between 7 a.m. and 3 p.m.
14. The basic membership requirements to join IATSE Local 891 are currently 60 days worked as a permittee in a single department. If you have accumulated 60 days under an IATSE Local 891 approved work permit, but do not have permittee status within a department, you must also provide proof of having met the departmental permittee qualifications at the time you make application for membership.
15. When you have met the membership requirement (currently 60 days), we strongly recommend that you contact the membership coordinator before you submit your application. All applicants must submit a complete membership application (available from the Union office) together with an updated resume and proof of days worked under permit. You may contact the membership coordinator at 604-664-8919, Monday to Friday between 7 a.m. and 3 p.m. She is available to answer your questions about becoming a member of IATSE Local 891 and to advise you of any specific membership requirements.
16. Please ensure that you carry valid trade certificates/licenses with you when reporting to work. All employees who are required to have licenses or certificates to perform their duties must be able to provide proof of trade/skill qualification when requested. Please ensure that you have any trade certificates and/or licenses on file at the Union office as well, as they may be required for dispatching for work.
17. Finally, WORK SAFE. Remember that all employees are responsible to provide their own general purpose work gloves, hardhat, and steel toed boots. If you become injured on the job it is imperative that you report the incident to First Aid immediately. Without proper documentation at the time of the injury, any claim to WorkSafeBC (WCB) may become problematic. Visit Actsafe at www.actsafe.ca, as it is an excellent resource for film industry workers. You can also visit the IATSE Local 891 website at www.iatse.com for more information.
