

Change is good

The CEIRP service provider is getting a new look and a new name.

The new **Canada Life** combines the strengths of their three companies: Great-West Life, London Life and Canada Life. They chose **Canada Life** because it's a name that speaks to everyone, from coast to coast to coast.

All of the changes won't happen overnight and there's nothing you need to do, just look forward to enhancements to the services and features already provided.

RETIREMENT PLAN

NEW FOR PLAN MEMBERS

You can now to set up an automatic transfer from your CEIRP NRSP to your CEIRP RRSP, and of non-restricted CEIRP NRSP funds to your CEIRP TFSA.

Transfer dates are roughly around the end of March, June, September, and December and you can arrange to have it set up either quarterly, twice a year or just once a year.

Contact the Great-West Life call centre at 1-800-724-3402.

Of course you can also use you online banking bill payment feature to set up more frequent transfers from your personal bank account to your CEIRP RRSP and/or CEIRP TFSA.

What could be easier?

Your CEIRP isn't just about Retirement

You may think retirement is too far away yet to even think about it and you have plenty of time, but retirement and deferring paying taxes aren't the **only reasons** to contribute to your RRSP.

You may have other goals, **shorter term goals**.

You'd like to go **back to school** and finish that course but don't know how you could swing it financially.

Go to www.canada.ca for up to date information and forms for both the Lifelong Learning Plan and Home Buyer's Plan.

You're tired of **paying rent** but are having a tough time coming up with a down payment on a place of your own.

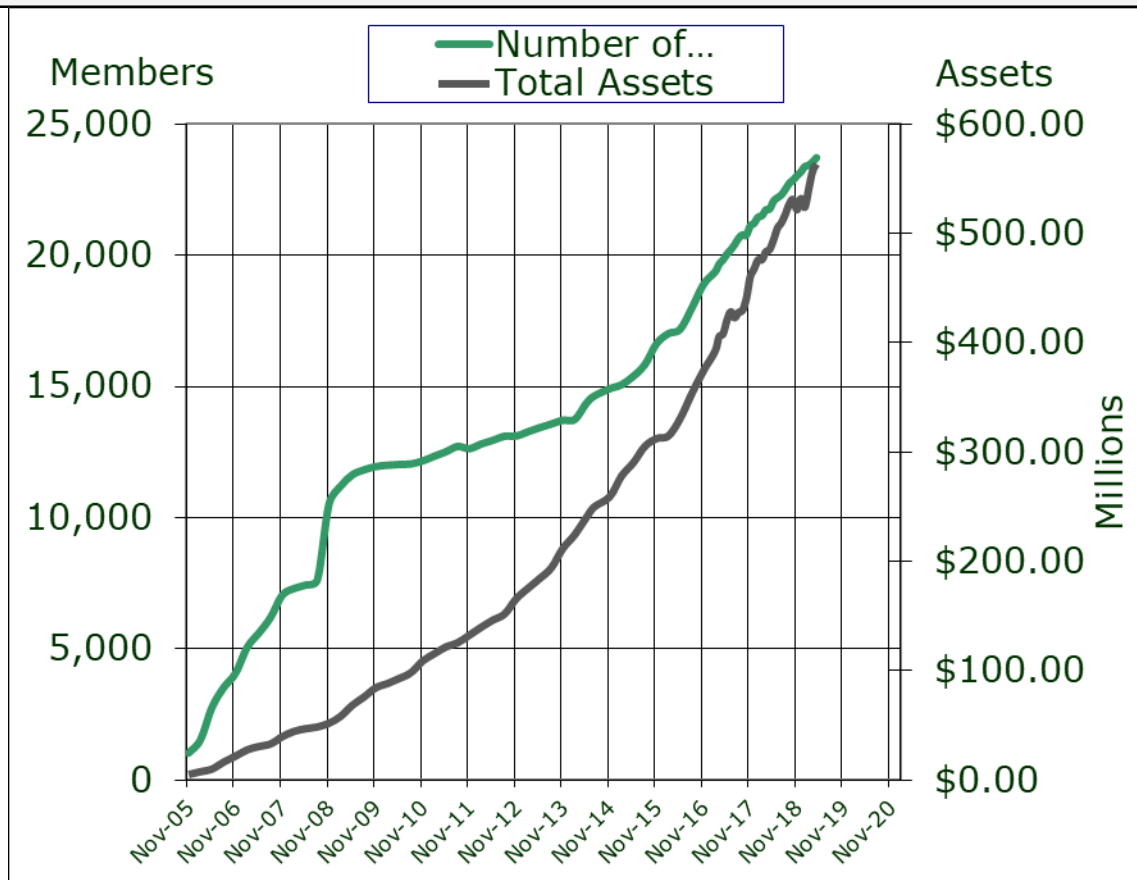

Whether it's tossing a mortarboard or laying bricks and mortar, your **CEIRP group plan** can help you achieve those goals.

You can turn some of your **CEIRP RRSP** savings into higher education or homeownership through the Canadian government's **Lifelong Learning Plan** and **Home Buyer's Plan**. No tax is withheld on your withdrawal and you are given plenty of time to pay it back. Think of it as an interest free loan you make to yourself.

As of March 31, 2019, plan assets are at \$563,534,940 with 23,719 currently enrolled from the IATSE, the DGC, Entertainment Partners Canada Inc. and Actsafe Safety Association.
