

ONLINE BANKING COMES TO CEIRP

Effective December 1, 2015 contributions to the CEIRP can be made directly from your bank account. Instead of paying bills, you'll be paying yourself.

Setting up the Payee and account information is easy. Once this is done, you will be in control of how much to contribute and when.

To set up the Payee information, under the Pay Bills section of your online banking, select the GREAT-WEST GROUP RRSP Payee or the GREAT-WEST GROUP TFSA Payee and enter 62724 and your certificate number (your certificate number is on your plan member statement).

Here is an example of how it might look on your bank's website:

Select	Payee
<input type="radio"/>	GREAT-WEST GROUP RRSP—6272499999999

Please note: your certificate number cannot contain more than 9 digits. Please contact your financial institution if the Payee information is not yet available under the Pay Bills section of your online banking.

For assistance or more information, please call the Great-West Life Access Line at 1-800-724-3402 to speak with a client service representative Monday to Friday between 8am and 8pm EST.
