- If you are a mandatory enrolment in CEIRP, the employer contribution is automatically deducted from your pay as "RRSP Man" and the funds are transferred to Great-West Life via IATSE Local 891.
- If you are enrolled in CEIRP with a voluntary RSP deduction, it is noted as "RRSP Vol" on the paystub. If you are "Plan Exempt" (you joined IATSE 891 before 2004) then the employer paid "pension" fringe amount remains on your paycheque as additional net income to you.
